COMPLETION CERTIFICATE

To: SISTRY FOUNDATION - Mr. Tarun Kumar **Madrid, Spain 6 November 2026**

Dear Members of **SISTRY FOUNDATION**,

Manos Unidas is pleased to certify that **Project FOOD SECURITY OF 300 WOMEN IN PURBA BARDHAMAN DISTRIT** has been successfully completed and all planned activities have been carried out to a very satisfactory standard.

This project marks our **second collaboration with SISTRY FOUNDATION**, and once again we have had the opportunity to witness the outstanding professionalism, dedication, and technical expertise of your team. Throughout the implementation process, your staff demonstrated a remarkable capacity to deliver high-quality training and support to women farmers, ensuring that participants acquired valuable knowledge and practical skills to strengthen their livelihoods.

Particularly noteworthy has been the excellent quality of the training provided, the commitment shown by the facilitators, and the positive engagement of the women beneficiaries. The professionalism and effectiveness of your team have been clearly reflected in the results achieved. We also highlight the exceptional quality, comprehensiveness, and level of detail of the reports submitted throughout the project. The documentation and photographs provided have been consistently thorough, well-structured, and transparent, offering clear evidence of progress, challenges, lessons learned, and achieved results. This high standard of reporting has greatly facilitated project monitoring and reflects the professionalism and strong management capacity of the SISTRY FOUNDATION team.

We would like to express our sincere appreciation for the excellent work carried out by your organization and congratulate your team on this significant achievement. It has been a privilege to work together once again. We wish you continued success in future initiatives and look forward to potential opportunities for collaboration in the years ahead.

Yours faithfully,

Ramón Alvarez
