TO WHOM IT MAY CONCERN

This is to certify that Sistry Foundation has successfully completed the project titled "SUSTAINABLE AND ECO-FRIENDLY AGRICULTURAL PROGRAMME IN PURBA BARDHAMAN DISTRICT", carried out from May 2023 to July 2024.

The project was implemented in accordance with the agreed objectives and Manos Unidas guidelines. Despite minor challenges encountered during the process, all issues were addressed promptly and effectively. The outcomes met the expected standards, and the project was concluded to our full satisfaction.

We acknowledge the valuable contribution of Sistry Foundation and commend their commitment, professionalism, and dedication throughout the project.

This certificate is issued upon their request as a formal recognition of their successful participation and completion of the project. It may be used to support future funding applications or collaborative initiatives.

Sincerely yours,

Ramón Álvarez
